LOST

G A Bm
Have you ever felt you dropped sharply
G F# Bm
with nothing to hang on to?

G A Bm
The wind drags me, I can´t help it
G F# Bm
I feel like I'm lost again

Em A
When will I understand it?
D Bm Em A D
The answers I'm looking for are not outside me

Em A
Then I'll close my eyes
D Bm Em A D
and listen to the words that I need to hear

Maybe I need to lose myself
maybe it's all included in the route

But I'm still human
And It´s easy to meet fear
